Miss Barbara Ungerleider, Station Manager
WCSR, Smith College
10 Prospect Street
Northampton, Massachusetts

Dear Miss Ungerleider:

Congratulations on the opening of WCSR, the new student-run radio station of Smith College. Knowing well the problems which beset a young college radio station, we at WDBS are interested in your progress, and stand ready to assist you in solving any of your early difficulties.

Some of your staff, beyond a doubt, will be in Hanover from time to time. Our studios will at all times be open to you and your friends. At that time, we will be glad to show you what makes radio tick at Dartmouth College.

Good luck , again, on your new undertaking.

Very truly yours,

Emil Julius Popke
